Just do the best you can

Just do the best you can

### Verse

When you know, you've tried your best

When you know you've worked hard,

You've done your best.

Don't worry

As long as you always give it your best shot

That means, whatever you do give it all you've got.

### Chorus

Do the best you can!

Just do the best you can!

Do the best you can!

Just do the best you can!

Don't worry, just do your best,

There's someone else that will do the rest

Do the best you can!

Just do the best you can!

Do the best you can!

Just do the best you can!

Do the best you can—don't worry!

### Verse

When you know, you've tried your best

When you know you've worked hard,

Yes, tried your best.

Don't worry!

As long as you always give it your best shot.

That means, whatever you do give it all you've got

Give it all you've got,  
Give it your best shot.

Chorus

Do the best you can!  
Just do the best you can!  
That's what you have to do  
Do the best you can!  
Just do the best you can!  
That is what everyone has to do—ooh!  
Do the best you can!  
Do the best you can—ooh!  
Do the best, do the best, do the best, do the best  
Do the best you can!  
Do the best, do the best, do the best, do the best  
Do the best you can!  
Do the best you can!  
Do the best you can, yeah!  
Everybody has to try...try their best!  
    Everybody, everybody, everybody, everybody!
