Don't say bad things—don't say!

Chorus

Don't say bad things,

No!

Don't say bad things,

Don't do it!

There are people,

There are people you're hurting

You are hurting,

Don't say bad things,

Oh no! Oh No!

Don't say bad things

Don't do it!

There are people,

There are people you're hurting

You are hurting

1st Verse

The words from your mouth can be used help or hurt,

You can encourage or discourage—the choice is yours.

Just remember you are accountable—you're responsible

For what you say, so make sure it's something good.

(Repeat chorus)

2nd Verse

Words are powerful;

Every word you speak they're either positive or negative, helping, or hurting
each other

So remember you're accountable, you're responsible,
For what you say, so make sure you it's something good

Bridge

So don't

Don't say bad things... Don't say bad things

There're people you're hurting,

People you're hurting

Don't say bad things

Don't,

Don't say bad things, there are people,

There're people you're hurting

Don't!

Please don't!

Say!

Don't say!

Bad things!

Don't say bad things, don't say bad things.

Don't! *Don't!*

Say! *Don't say it!*

Bad things...

Short Chorus

Don't say bad things,

Don't say bad things,

There are people you are hurting.
