Chorus 1

Have a good day,

Have a good day today

You have a good day today

A good day

Have a good day,

Have a good day today

Have a real good day today

A good day

Verse

I want you to enjoy yourself,

Go have some fun

It's okay

Have a good day

I want you to forget all of your problems

Hear what I say

Enjoy...the ... day

We should all start enjoying each day

Life is too short,

Too precious to waste

So... have... a good... day!

Chorus 2

Have a good day,

Have a good day today

Have a good day today, OK?

A good day

Have a good day,

Have a good day today

I want you to have a good day.

A good day

OK?

(Repeat verse)
